CUET
Syllabus 2022

The Common University Entrance Test or CUET is an online entrance test which provides a common platform for admission to 44 central universities and other state universities. The CUET entrance test scores can be used for admission to various undergraduate courses. The CUET exam was envisaged based on the recommendations of National Education Policy, 2020 to provide a single window admission system for all central universities. The CUET entrance test will be conducted in computer-based mode. The CUET 2022 entrance test will be conducted in around 547 cities around the country and 13 cities outside India. The CUET 2022 entrance test will be conducted in two shifts - 1st shift (45 to 195 minutes) and 2nd shift (45 to 225 minutes). The entrance test of [CUET 2022](#) will be conducted in 13 languages. The CUET 2022 will consist of four sections - Section 1A (language test), Section 1B (option language test), Section 2 (domain specific test) and Section 3 (general test)

While you may be thinking of taking up CUET this year, you need various resources to ace your preparation for the national level examination. One of the most crucial resources is the CUET syllabus that tells you which topics you should study for the test. Careers360 has thus compiled all the part and domain-wise important topics that are needed to crack CUET.
